

## **RISK NOTICE**

Date of last update: 11.03.2021

### **1. GENERAL PROVISIONS**

1.1. This Notice is mandatory for the clients of the Cryptostreet OU (Cryptostreet OÜ) (registration number 14711680) Company to whom the Company provides access to the trading system and (or) provides other services prior to the commencement of any operations related to investment.

1.2. The purpose of this document is to disclose information on the general nature of risks and possible risks associated with activities when a client invests his/her own funds. At the same time, this document does not contain or pursue the purpose of describing all the risks and other possible consequences in connection with the client's use of the trading system and investing his/her own funds.

### **2. RISKS**

#### *2.1. Trading risk*

2.1.1. Due to the nature of the relationship to be established or has been established between the Client and the Company, the Client independently chooses a trading strategy, determines the parameters of trade orders and makes other decisions. The Company is not responsible for possible losses incurred by the Client in connection with the decisions made and operations performed.

2.1.2. The Company informs the Client that when the order is executed, the market price of the instrument may change not in favor of the Client.

2.1.3. The Client must be willing to accept responsibility for the risk of losing all invested funds.

2.1.4. The Client acknowledges that when trading in a currency other than the currency of the Client's country of residence, the Client may face a negative impact of the exchange rate on the price of trading instruments and the execution of corresponding orders.

2.1.5. The information posted by the Company on the Site is not a recommendation, guidance / basis for making decisions by the Client.

#### *2.2. Technical risks*

2.2.1. The Client assumes the risks associated with software malfunctions, telecommunications equipment and other technical problems.

2.2.2. The Company is not responsible for losses incurred by the Client due to ignorance / failure to familiarize with the instructions posted on the site.

2.2.3. The Client undertakes to take measures to ensure the safety and protection of his/her authorization, identification and authentication data by which an unauthorized access to the system and / or protected information can be gained.

2.2.4. The Client immediately informs the Company about the revealed facts of theft or loss of his/her authorization, identification and authentication data, and also takes measures to minimize the risks arising from this situation in accordance with the instructions and recommendations of the Company.

#### *2.3. Circumstances of force majeure*

2.3.1. The Company is not responsible for losses incurred by the Client as a result of force majeure: military actions, terrorist attacks, natural disasters, suspension of trading in financial markets, currency interventions, resolutions of the governments, instability in financial markets with a sharp decrease in liquidity and other significant changes in working conditions of contracting parties.

### **3. FINAL PROVISIONS**

3.1. When providing Services to the Client, the Company and (or) partners / contracting parties of the Company who provide the services to the Clients of the Company have the right to charge a commission as placed on the Company's website. During the verification process, opening accounts, as well as before starting trading operations, the Client should familiarize with the information about all types of

commissions and payments that will be withheld from him/her for the provision of the Services. The Client is obliged to independently find out about changes in payment terms.

3.2. The Company has the right to change this AML Policy at any time and in connection with this, the continued use of the Company's services by the client means the acceptance of the changes to this Policy.
